Built-in appliances

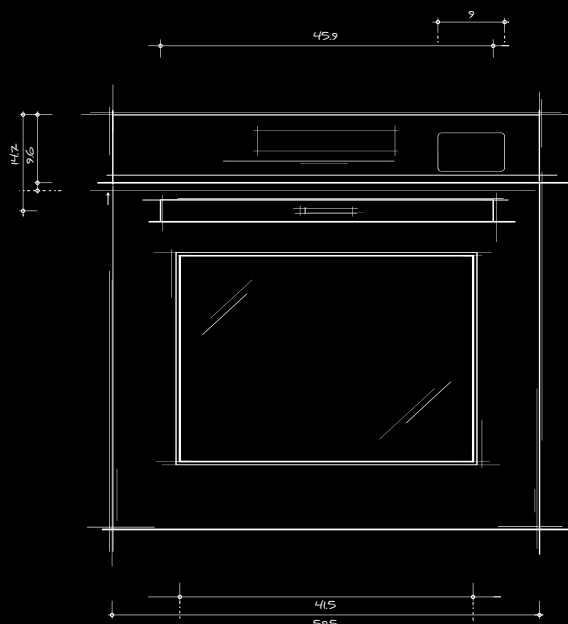

Perfectly integrated

Those opting for a modern, state-of-the-art kitchen expect not only appliances that meet the latest technical standards, but also a harmonious overall impression that perfectly combines technology and design. Blaupunkt products offer precisely that.

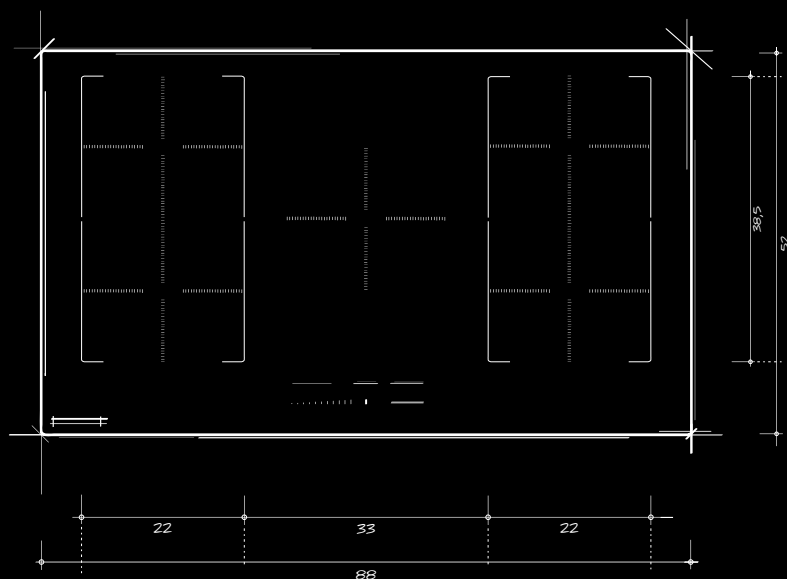

Worlds of Blaupunkt

Fire

Ovens	10–16
Range cooker	17

Blaupunkt ovens – the heart of your kitchen

Crispy, delicate and fresh – all available with a simple touch! Intuitive operating concepts and clearly arranged display solutions allow your oven to produce perfect results. And when the feast is over, these practical kitchen appliances simply clean themselves.

Smart slider

Smart slider

An intuitive, simple control concept for all appliances – every setting can be perfectly selected with the Smart Slider.

Touch control

Touch Control

Precise, innovative and very user-friendly: gently touching the Touch Control buttons is enough to select the desired setting.

Automatic programmes

Automatic programmes

One touch away from the perfect result: our automatic programmes are equipped for nearly every ingredient. Cooking can't get any easier.

Soft moving

Soft moving

Thanks to its advanced dampers and hinges, the oven door can be opened and closed smoothly. Just a light pull/push and the door opens or closes gently.

Pyrolytic system

Pyrolysis

With a simple touch, all residues from baking, frying and grilling at high temperatures are reduced to ashes that can be simply wiped away with a cloth.

Hydrolytic system

Hydrolysis

Easy cleaning at the push of a button: With the aid of heat and steam, even strong stains can be dissolved.

Ovens

Built-in oven

5B50P 8590GB New

Output, consumption

- Voltage: 220 – 240 V
- Total connected load: 3.2 kW

Oven type, heating type

Built-in electric oven with 11 heating types:

- Top/bottom heat
- Bottom heat
- Hot Air Eco
- Hot air
- Circulation
- Circulation grill
- Vario large area grill
- Vario small area grill
- Pizza level
- Defrost function
- Dough process

Design, comfort

- Control panel in the Dark Steel design
- Touch Control
- Smart Slider
- Digital display in white
- Quick heating
- Temperature recommendation
- Electronic temperature regulation from 30 °C – 250 °C
- Pyrolytic self-cleaning
- Full glass inner door
- Soft-moving door
- Dark Steel metal handle with logo
- Cooking chamber volume 72 l
- Flat oven walls with oven racks
- Enamelled cooking chamber
- Removable oven door for easy cleaning
- Oven lighting
- Safety switch-off
- Child protection, door lock in pyrolysis mode
- Cooling fan
- Large oven interior with 1-way telescopic extension

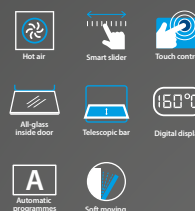

Dimensions H × W × D

- Appliance dimensions: 59.5 × 59.5 × 56.5 cm
- Installation dimensions: 60.0 × 56.0 × 55.0 cm
- Panel height: 96 mm

Built-in oven

5B50N 8590GB New

Output, consumption

- Voltage: 220 – 240 V
- Total connected load: 2.9 kW

Oven type, heating type

Built-in electric oven with 11 heating types:

- Top/bottom heat
- Bottom heat
- Hot Air Eco
- Hot air
- Circulation
- Circulation grill
- Vario large area grill
- Vario small area grill
- Pizza level
- Defrost function
- Dough process

Design, comfort

- Control panel in the Dark Steel design

- Soft-moving door
- Dark Steel metal handle with logo
- Cooking chamber volume 72 l
- Flat oven walls with oven racks
- Enamelled cooking chamber
- Removable oven door for easy cleaning
- Oven lighting
- Safety switch-off
- Child protection, door lock in pyrolysis mode
- Cooling fan
- Large oven interior with 1-way telescopic extension

Dimensions H × W × D

- Appliance dimensions: 59.5 × 59.5 × 56.5 cm
- Installation dimensions: 60.0 × 56.0 × 55.0 cm
- Panel height: 96 mm

● **BLAUPUNKT**

Blaupunkt – perfectly planned

Clear design –
right down the line

Everything in one line, that was our goal when developing the new Blaupunkt Dark Steel series. The appliances are carefully aligned to create you a comfortable kitchen space. Ovens and compact appliances can be combined in various ways – along clear, uniform lines of design with black glass and white displays.

- New look in Dark Steel
- Logo now on the handle
- Black glass for uniform, timeless design
- White display with Smart Slider
- Optimally aligned and ideally combinable

Ovens

All-glass inside door

Plug & Play

Output, consumption

- Voltage: 220 – 240 V
- Total connected load: 2.1 kW

Oven type, heating type

Built-in electric oven with 5 heating types:

- Hot Air
- Grill
- Grill with fan
- Defrosting
- ECO

Design, comfort

- Temperature regulation from 50 °C – 250 °C
- Full glass inner door
- Low window temperature
- Cooking chamber volume 70 l
- Smooth oven walls with suspended grates
- Metal handle
- Enamelled cooking chamber
- Removable oven door for easy cleaning
- Oven lighting
- Cooling fan
- Control lamp for operation condition

Dimensions H × W × D

- Appliance dimensions: 59.5 × 59.5 × 57.5 cm
- Installation dimensions: 60.0 × 57.0 × 56.0 cm
- Panel height: 120 mm

Built-in oven

5B10N 0240AU

Hot air

Plug & Play

Output, consumption

- Voltage: 220 – 240 V
- Total connected load: 2.1 kW

Oven type, heating type

Built-in electric oven with 4 heating types:

- Top heat
- Bottom heat
- Top and bottom heat
- ECO

Design, comfort

- Temperature regulation from 50 °C – 250 °C
- Full glass inner door
- Low window temperature
- Cooking chamber volume 75 l
- Smooth oven walls with suspended grates
- Metal handle
- Enamelled cooking chamber
- Removable oven door for easy cleaning
- Oven lighting
- Cooling fan
- Control lamp for operation condition

Dimensions H × W × D

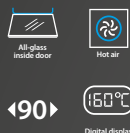

- Appliance dimensions: 59.5 × 59.5 × 57.5 cm
- Installation dimensions: 60.0 × 57.0 × 56.0 cm

Ovens

Built-in oven

5BC 94190AU

Output, consumption

- Voltage: 220 – 240 V
- Total connected load: 2.8 kW

Oven type, heating type

Built-in electric oven with 9 heating types:

- Conventional
- Grill
- Double grill
- Double grill with fan
- Bottom heat
- Conventional with fan
- Hot air
- Defrost
- ECO

Design, comfort

- Mechanical control
- Fully retractable control knob
- Temperature regulation from 50 °C – 250 °C
- Full glass inner door
- Low window temperature
- Cooking chamber volume 93 l
- Smooth oven walls with suspended grates
- Metal handle
- Enamelled cooking chamber
- Removable oven door for easy cleaning
- Oven lighting
- Cooling fan
- Control lamp for operation condition

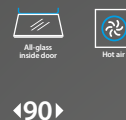

Dimensions H × W × D

- Appliance dimensions: 90.0 × 54.5 × 48.0 cm
- Installation dimensions: 47.5 – 47.7 × 86.0 × 55.0 – 56.0 cm

Built-in oven

5BC 93190AU

Output, consumption

- Voltage: 220 – 240 V
- Total connected load: 2.8 kW

Oven type, heating type

Built-in electric oven with 9 heating types:

- Conventional
- Grill
- Double grill
- Double grill with fan
- Bottom heat
- Conventional with fan
- Hot air
- Defrost
- ECO

Design, comfort

- Mechanical control with digital timer
- Fully retractable control knob
- Temperature regulation from 50 °C – 250 °C
- Full glass inner door
- Low window temperature
- Cooking chamber volume 93 l
- Smooth oven walls with suspended grates
- Metal handle
- Enamelled cooking chamber
- Removable oven door for easy cleaning
- Oven lighting
- Cooling fan
- Control lamp for operation condition

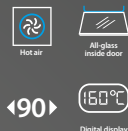

Dimensions H × W × D

- Appliance dimensions: 90.0 × 54.5 × 48.0 cm
- Installation dimensions: 47.5 – 47.7 × 86.0 × 55.0 – 56.0 cm

Range Cooker

5RC 91490AU

**Output, consumption**

- Voltage: 220 – 240 V
- Total connected load: cooktop: 11.1 kW, oven: 2.94 kW

Cooktop type, power

Gas cooktop

5 SABAF burners with power:

- Central: 3.6 kW
- Front left: 3.0 kW
- Rear left: 1.75 kW
- Front right: 1.0 kW
- Rear right: 1.75 kW

Preset to natural gas (20 mbar)

- Can be converted to liquid gas (LPG nozzle is included in the package)
- Connection cable 1 m

Oven type, heating type

Built-in electric oven with 8 heating types:

- Hot air
- Bottom heat
- Conventional
- Convectional with fan
- Grill
- Double grill
- Double grill with fan
- Defrost

Environment, comfort

- Mechanical control with digital timer
- Full glass inner door
- Enamelled cooking chamber
- Cooking chamber volume: 109 l
- Smooth oven walls with suspended grates
- Removable oven door for easy cleaning
- Oven lighting

Dimensions H × W × D

- Appliance dimensions: 76.9 × 89.5 × 60.0 cm

Blaupunkt compact appliances – a wide variety of functions in the smallest of spaces

Cooking, braising, steaming – not only in large kitchens, but also in the smallest of spaces, Blaupunkt compact appliances offer the full range of functions while still leaving you plenty of space for cutting, seasoning and preparing.

Our space-saving multitasking appliances are real all-rounders and a smart addition for unused niches in larger kitchens.

Smart slider

Smart slider

An intuitive, simple control concept for all appliances – every setting can be perfectly selected with the Smart Slider.

Touch control

Touch Control

Precise, innovative and very user-friendly: gently touching the Touch Control buttons is enough to select the desired setting.

Automatic programmes

Automatic programmes

One touch away from the perfect result: our automatic programmes are equipped for nearly every ingredient. Cooking can't get any easier.

Combined operations

Combined operation

True all-rounders – our combination appliances! The little multitasking genius combines an oven function, a microwave and can even steam.

Steam food

Steam cooking

Cooking with hot steam is gentle to the food, promises maximum taste and a healthy approach to your cooking.

Hot air

Hot air

Optimum heat distribution allows you to achieve perfect baking and roasting results on up to three levels simultaneously. For energy-optimised baking and roasting on just one level, you can select the Hot Air Eco function.

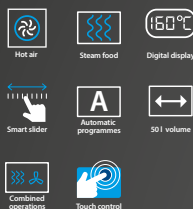

Fire

Compact appliances

Combination steam cooker

5C90S 8990GB New

Output, consumption

- Voltage: 220–240 V
- Total connected load: 3.0 kW
- Grill output: 2,200 W / hot air output: 1,700 W

Oven type, heating type

Compact oven with 13 heating types:

- Top/bottom heat
- Bottom heat
- Hot Air Eco
- Hot air
- Circulation
- Circulation grill
- Vario large area grill
- Vario small area grill
- Pizza level
- Defrost function
- Dough process
- Steam cooking from 35 °C – 100 °C
- Combined operation

Design, comfort

- Control panel in the Dark Steel design
- Touch Control
- Smart Slider
- Digital display in white
- Push & pull water tank
- Temperature sensor
- Quick heating
- Temperature recommendation
- 16 automatic programmes
- Electronic temperature regulation from 30 °C – 250 °C
- Full glass inner door
- Dark Steel metal handle with logo
- Cooking chamber volume 50 l
- Flat oven walls with oven racks
- Enamelled cooking chamber
- Removable oven door for easy cleaning
- LED oven lighting
- Safety switch-off
- Child protection
- Cooling fan

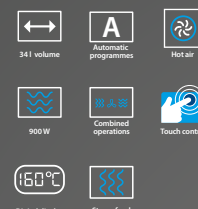

Dimensions H × W × D

- Appliance dimensions: 45.4 × 59.5 × 56.8 cm
- Installation dimensions: 45.0 × 56.0 × 55.0 cm
- Panel height: 96 mm

Combination steam cooker

5KD 94150GB

Output, consumption

- Voltage: 220–230 V
- Total connected load: 3.3 kW
- 900 W Microwave
- Grill output: 1,200 W / hot air output: 1,750 W
- Steam cooker output: 1,500 W

Oven type, heating type

- Heating types: hot air, circulation grill, area grill, microwave, combined operation, steam function
- 5 output levels: 900 W, 700 W, 450 W, 300 W, 100 W
- Maximum temperature circulation / hot air: 230 °C
- Maximum temperature circulation grill: 180 °C
- Maximum temperature steam cooker: 100 °C
- Maximum temperature steam cooker / hot air: 230 °C

Design, comfort

- Control panel made of glass and stainless steel
- 34 l stainless steel cooking chamber
- 1 l water tank volume for steam cooking function
- Metal handle
- Folding door
- Digital display
- Digital clock with day display
- All heating types can be used separately and in combination
- User-friendly electronics with touch control
- 10 defrost / cooking programmes with automatic weight adjustment
- Cook control – 80 automatic programmes
- Child protection

Dimensions H × W × D

- Appliance dimensions: 45.4 × 59.5 × 52.5 cm
- Installation dimensions: 45.0 × 56.0 × 55.0 cm
- Panel height: 96 mm

Built-in compact microwave oven

5MG 17190AU

Output, consumption

- Voltage: 230 – 240 V
- Connected load: 2.3 kW
- 1,000 W Microwave
- Grill Power: 1,100 W
- Hot air Power: 2,300 W

Design, comfort

- Built-in appliance for a 60 cm wide tall cupboard
- Heating types: microwave, grill, hot air, combination cooking
- Touch control
- 5 output levels: 1,000 W, 800 W, 500 W, 300 W, 100 W
- 10 automatic programmes
- Defrost by weight / time
- Red LED Digital display
- 34 l stainless steel cavity
- 31.5 cm glass turntable
- Child safety lock
- Push open door

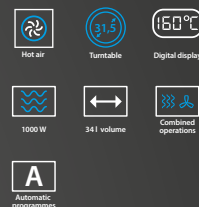

Dimensions H × W × D

- Appliance dimensions: 38.8 × 59.5 × 47.0 cm
- Installation dimensions: 38.0 × 56.0 × 55.0 cm

Built-in compact microwave oven

5MA 27500AU

Output, consumption

- Voltage: 230 – 240 V
- Connected load: 2.3 kW
- 1,000 W Microwave
- Grill Power: 1,100 W
- Hot air Power: 2,300 W

Design, comfort

- Built-in microwave, stainless steel
- Heating types: microwave, grill, hot air, combination cooking
- Knob and button control
- 5 output levels: 1,000 W, 800 W, 500 W, 300 W, 100 W
- 10 automatic programmes
- Defrost by weight / time
- White LED digital display
- 34 l stainless steel cavity
- 31.5 cm glass turntable
- Child safety lock

Dimensions H × W × D

- Appliance dimensions: 38.8 × 59.5 × 47.0 cm
- Installation dimensions: 38.0 × 56.0 × 55.0 cm

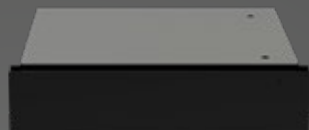

Warming drawers and microwaves

Warming drawer

5WS 16400

Output, consumption

- Voltage: 220 – 240 V
- Total connected load: 0.4 kW

Oven type, heating type

- Heating by fan heater
- Temperature regulation in 3 levels: from 30 °C – 80 °C
- 20.5 l interior volume
- Rotary switch on inside

Design, comfort

- Black glass front
- Opens without handles by push & pull
- Telescopic full extension
- Anti-slip mat
- Dish pre-heating
- Food warm-keeping function
- Defrosting of frozen food
- Load capacity 15 kg

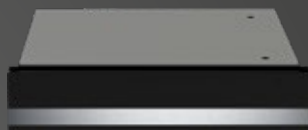

Dimensions H × W × D

- Appliance dimensions: 14.0 × 59.4 × 54.2 cm
- Installation dimensions: 14.0 × 56.0 – 56.8 × 55.0 cm

Warming drawer

5WS 16401

Output, consumption

- Voltage: 220 – 240 V
- Total connected load: 0.4 kW

Oven type, heating type

- Heating by fan heater
- Temperature regulation in 3 levels: from 30 °C – 80 °C
- 20.5 l interior volume
- Rotary switch on inside

Design, comfort

- Black glass front with stainless steel screen
- Opens without handles by push & pull
- Telescopic full extension
- Anti-slip mat

- Appliance dimensions: 14.0 × 59.4 × 54.2 cm
- Installation dimensions: 14.0 × 56.0 – 56.8 × 55.0 cm

Blaupunkt hobs – heat that makes a point

Not all heat is alike. Sometimes the temperature has to rise rapidly – boosting heat for perfect searing. Other things need time – uniform heat for gentle cooking.

Smart slider

Smart slider

An intuitive, simple control concept for all appliances – every setting can be perfectly selected with the Smart Slider.

Touch control

Touch Control

Precise, innovative and very user-friendly: gently touching the Touch Control buttons is enough to select the desired setting.

Induction

Induction

Immediately hot, immediately cold, and nothing gets burnt. The base of the pan is directly heated by the induction coil. The heat is only produced where it is needed. This means short heat-up times, more safety and much less energy consumption.

Combi induction

Combi induction

Two induction cooking zones can be combined together to create one single cooking zone, thereby allowing the use of very large pots and pans. Of course, the two large cooking zones can also be used separately.

Boost function

Boost function

No long heat-up times: the right cooking temperature is reached in seconds with the boost function.

Multi control

Multi Control

The extractor fan hood and hob are intelligently linked. The extractor fan hood can be controlled separately using the hob control panel and automatically adjusts the fan power to the heat generated. The colour temperature and light intensity are individually controlled via the intelligent light system.

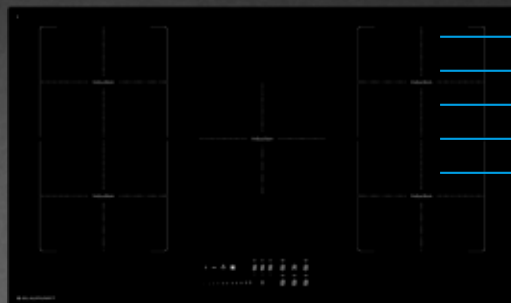

Heat

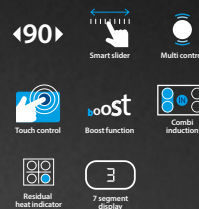

Hobs

New design
Grill function
White display
Smart Slider
Enhanced technology

Output, consumption

- Voltage: 220–240 V
- Total connected load: 7.4 kW
- 5 induction cooking zones with booster:
 - 2 cooking zones, combi induction
Ø 20.0 × 21.0 cm, 2.3 kW (3.0 kW)
 - 2 cooking zones, combi induction
Ø 20.0 × 21.0 cm, 2.3 kW (3.0 kW)
 - 1 cooking zone Ø 21.5 cm, 2.3 kW (3.0 kW)

Design, comfort

- Frameless
- Multi Control
- Smart Slider
- Touch Control
- 2 × combi induction
- Flexible linking – Any two cooking zones can be combined into one cooking zone
- Boost function for all induction cooking zones
- Grill function
- Electronic control in 10 power levels
- Digital display of cooking levels in white
- Residual heat display for each cooking zone
- Pot detection
- Child protection
- Timer – simultaneously adjustable for each cooking zone
- Countdown function
- Quick start function
- Recall function – Repeat the last settings
- Automatic safety switch-off
- Overflow detection
- Power management
- Flush-mounted installation possible
- Quick assembly system

Dimensions H × W × D

- Appliance dimensions: 5.2 × 88.0 × 52.0 cm
- Installation dimensions: 5.2 × 81.0 × 49.0 cm

It's every barbecue fan's dream: It may be raining, snowing or stormy outside – he can still indulge his passion inside. With the cast iron grill plate or the new cast iron Teppanyaki plate, steaks, fish and vegetables get that familiar aroma from the open-air barbecue season.

PLENTY OF SPACE

Large area for preparing large quantities

LOW FAT – GREAT TASTE

Healthy preparation – the optimised surface allows excess oil to drain off and requires little cooking fat

FLEXIBILITY IN ALL AREAS

Diverse possibilities – vegetables, meat, fish and much more

UNIFORMITY RIGHT DOWN THE LINE

Constant heat even with large quantities of food

HEAT TO PERFECTION

The temperature can be set and maintained exactly, thus preventing burning and rapid drying

EASY TO CLEAN

The smooth surface allows easy and quick cleaning after use

Heat

Blaupunkt gas hobs – heat in its most original form

Change the temperature at lightning speed – cooking on an open flame is direct, emotional and, thanks to the latest technology, completely safe. A Blaupunkt gas hob is an eye-catcher in the kitchen and delivers a truly professional cooking experience.

Gas hobs

Gas hob

5GB 62191AU New

◀60▶

Output, consumption

- Connected load, gas: 8.1 kW
- Burner with 4 cooking areas:
- Front left: Triple burner 3.6 kW
- Back left: Standard burner 1.75 kW
- Rear right: Standard burner 1.75 kW
- Front right: Economy burner 1 kW

Design, comfort

- Black glass, hardened
- Front control knob
- Electrical spoke spark ignition controllable with one hand
- Protection against unintentional escape of gas (thermoelectric safety pilot)
- Cast iron pot carrier
- Preset to natural gas (20 mbar)
- Convertible to liquid gas (LPG nozzle is included in the package)
- Connection cable 1 m

Dimensions H × W × D

Heat Air

Blaupunkt hob with integrated extractor – remove the fumes right where they arise

The modern extractor solution offers one thing above all – more freedom: A clear view, as the fumes are extracted directly where they arise. Odourless cooking and more freedom in kitchen planning.

High-quality filter systems allow nothing but fresh air to be produced, while still being powerful and noise-free. The perfect combination of heat and air in a single appliance.

Smart slider

Smart Slider

An intuitive, simple control concept for all appliances – every setting can be perfectly selected with the Smart Slider.

Touch control

Touch Control

Precise, innovative and very user-friendly: gently touching the Touch Control buttons is enough to select the desired setting.

Induction

Induction

Immediately hot, immediately cold, and nothing gets burnt. The base of the pan is directly heated by the induction coil. The heat is only produced where it is needed. This means short heat-up times, more safety and much less energy consumption.

Combi induction

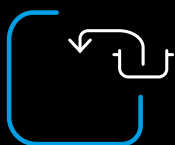

Combi induction

Two induction cooking zones can be combined together to create one single cooking zone, thereby allowing the use of very large pots and pans. Of course, the two large cooking zones can also be used separately.

Hob with extractor fan

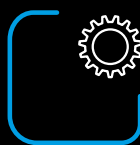

Perfectly planned – Hob with an extractor fan

Perfect integration in the kitchen cabinet makes integrated design and maximum functionality possible in the first place. Thanks to the slim and space-efficient design, the appliances allow a greater use of your cabinet and drawer spaces.

SHORTER DISTANCE – MORE EFFICIENT EXTRACTION – FRESHER AIR

The downdraft extractor ensures that cooking fumes do not even escape to the room and are instead filtered directly.

EFFICIENT TECHNOLOGY – MAXIMIZED PERFORMANCE

Optimized extraction paths, powerful motors and a perfectly balanced flow rate ensure maximum performance.

BETTER POSITIONING – ENJOYABLE COOKING

The intelligent fusion of a hob and extractor fan saves you from an unfavourable eye-level appliance position. Thanks to the direct downdraft extraction of the fumes, you keep a clear view.

RELAXING COOKING EXPERIENCE

Installation at base height shifts the sound field from the eye level downwards. Especially quiet motors give you additional peace and quiet.

FEWER APPLIANCES – PLANNING WITHOUT LIMITS

The absence of the additional appliance at head height opens up new possibilities in kitchen planning. Positioning the hob in the centre of the room or directly in front of the window allows you a clear view: no more limits stand in your way.

QUALITY FROM SELECTION TO WORKMANSHIP

Functionality and longevity are the result of the use of high-quality materials and precise workmanship.

EASIER TO ACCESS – EASIER TO CLEAN

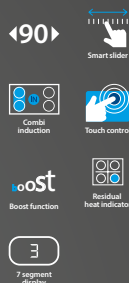

The filter technology ensures excellent absorption of moisture. To clean, you can access the filters easily and practically from above, rendering a tedious disassembly unnecessary.

**Here you can find all information
about our hob fans.**

Stand-alone hob, induction with integrated extractor fan

5IX 99290AU

Output, consumption – hob

- Voltage: 220 – 240 V
- Total connected load: 8.8 kW
- 4 induction cooking zones with booster:
- 4 cooking zones Ø 22 cm, 2.1 kW (3.7 kW)

Design, comfort – hob

- Frameless
- Touch control with Smart Slider
- Boost function for all induction cooking zones
- Electronic control in 10 power levels
- Main switch for hob and extractor fan
- Toggle function with fixed temperatures (40°C, 70°C und 98°C)
- Cooking Chef Mode, Pause and Recall
- Residual heat display
- Pot detection
- Child lock
- Timer
- Countdown function
- 2 × bridging function
- Flush-mounted installation possible

Dimensions H × W × D

- Appliance dimensions: 82.7 – 98.2 × 90 × 53 cm
- Installation dimensions: 5.8 × 86.2 × 49.5 cm

Planning information

- Air outlet/exhaust air duct to the left
- It is not possible to plan in dishwashers, underframe coolers, base drawers, etc. in the exhaust air routing area
- For the circulation variant, it is not possible to plan in dishwashers, underframe coolers, base drawers, etc. directly on the left side
- Min. cabinet width 900 mm
- Worktop depth min. 600 mm (correspondingly deeper for the planning of recess panelling)
- Base height min. 100 mm

Output, consumption – extractor fan

- Voltage: 220 – 240 V
- Total connected load: 165 W
- Average power consumption: 30.8 kWh / year
- Noise min. / max. normal level / intensive level: min 45 dB (A) max. 65 dB (A) max. 70 dB (A)
- Fan output max. normal level / intensive level*: In extraction mode 580 m³ / h / 730 m³ / h In circulation mode 45 m³ / h / 560 m³ / h

Design, comfort – extractor fan

- Electronic opening of the extractor fan
- Glass ceramic, black
- Suitable for installation in a kitchenette or kitchen island
- Optional extraction or circulation mode (for circulation mode a carbon filter is required)
- 6-level fan output controllable via Touch Control with 7-segment LED display
- 5 power levels + 1 intensive level
- Intensive level with automatic reset for extraction mode
- Automatic three-level blower overrun of 5 / 10 and 20 minutes with LED display
- Metallic grease filter and carbon filter saturation indicator via LED warning light
- For the cleaning / emptying of metallic filters and water collection vessels, the appliance automatically blocks after 40 hours of operation
- Automatic overrun for circulation mode
- Water collection tank: 0.75 litre capacity
- Powerful and quiet blower
- Metallic grease filter, dishwasher-safe

* According to EU Regulation no. 65 / 2014 / fan power according to EN 61591

Multi Control

Multi control

Blaupunkt Multi Control – a unique connection

Here everything comes together that belongs together: Blaupunkt hobs with Multi Control  form a unique combination – together with the Multi Control extractor fan hoods. These can be easily controlled using the hob operating panel, and they automatically adjust their output in line with the heat generation of the hob. The cable-free Multi Control sensor promises a long-lasting technical standard and intuitive operation.

Extractor fan hoods

Ceiling fan

5DD 72555AU New

New design
Low installation depth
Improved energy efficiency

Output, consumption

- Voltage: 220 – 240 V
- Total connected load: 150.4 W
- Average power consumption: 38.3 kWh/year*
- Fan efficiency class: A*
- Light efficiency class: B*
- Grease filter efficiency class: E*
- Noise min./max. Normal level: 40/65 dB*
- Fan output max. Normal level/Intensive level*:
 - In extraction mode 490 m³/h / 700 m³/h
 - In circulation mode 300 m³/h / 400 m³/h

Design, comfort

- Stainless steel
- For ceiling installation above kitchen islands
- Multi Control
- Optional extraction or circulation mode (carbon filter required for circulation mode)
- Electronic control
- 4-level fan power (3 power levels + 1 intensive level) controllable through Multi Control
- Intensive levels with automatic reset
- Filter saturation display
- Powerful and quiet blower
- Uniform, bright lighting with 2 × 2.7 W LED modules
- Optional extendible Multi Control function: LED light with adjustable brightness and colour temperature
- Illuminance: 111 Lux
- Colour temperature: 4,000 K preset
- Metal grease filter, dishwasher-safe

Water

Blaupunkt dishwashers – the washing-up is part of the fun

First the pleasure, then the work? Blaupunkt dishwashers do the work on your behalf to ensure that the pleasure continues past the meal. Various installation heights and widths And variable storage space – the Blaupunkt programme offers the perfect aide for every space requirement.

Aquastop

A lifelong guarantee against water damage. The Aquastop safety system prevents all types of water damage – whether to the supply hose or through a leak in the appliance.

Extra silent

Extra quiet

More durable, efficient and particularly quieter motor.

Vario basket

Vario basket

The upper basket is height-adjustable and may be equipped with up to two racks depending on the model. The lower basket has two folding spine rows.

Digital display

Digital display

A digital display gives you a good overview of the selected programme and the cycle time.

Dishwashers

Built-in dishwasher, semi integrated
